President's Corner

Summertime greetings! After what seemed like a never ending winter and an extremely difficult spring, summer is finally here. Life in our part of the upper Midwest can be very challenging while at the same time it can be very rewarding. Hopefully, each of you has been able to overcome the widespread hardships we all have faced and you are now able to enjoy this beautiful season of the year!

At this time, we are pleased to introduce and congratulate our 2019 Citizens State Bank scholarship winners. Once again, we had a number of highly qualified applicants for our committee to select from. Our thanks go to each one who submitted an application. This year, our winners are: Arlington: Devon Heuer, University of South Dakota; Sinai: Carter Wicks, Lake Area Technical Institute and Castlewood: (two \$500 winners) Brandon Benike, Lake Area Technical Institute and Lauren Gabur, South Dakota State University. Our best wishes go to these students and to each of our applicants for a successful post-high school educational experience!

Just as a reminder to parents and grandparents, if you have a senior in high school, please encourage them to apply. Annually, we award three \$1,000 scholarships to deserving applicants who wish to further their education. Our primary criterion involves being a bank customer or a child of a bank customer who plans to attend a higher education institution located here in South Dakota.

For all of your banking and insurance needs, please think of us FIRST! We are your full service, hometown bank offering the latest in financial products and services. I invite you to allow our friendly and helpful staff to assist you today! From all of us here at Citizens State Bank, we are truly “Committed to Your Success”!

Wayne Fischer
President
